PERFECT 2005 can be adapted to ten standard time cards through selecting a pre-programmed standard card format. The print format of the matrix printer offers various combinations (hours, minutes, or decimal hours, date or weekday in various languages, am/pm or 24 h).

The time recorder is pre-programmable for summer/winter time change and has an automatic calendar. The attractive analogue quartz clock with power reserve will be automatically synchronized in the event of power failure.

Date, time and program will be memorized for more than two years without power.

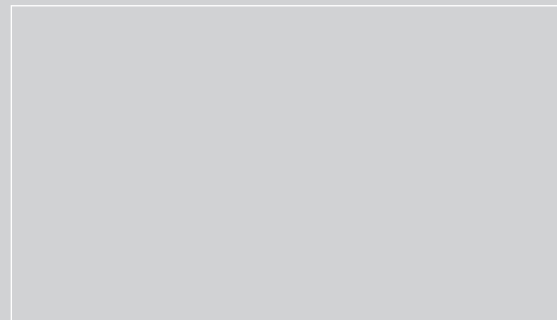

PERFECT 2005 can be adjusted through its easy-to-use keyboard with only 3 keys.

PERFECT 2005 can be delivered in desktop or wall mounted version.

PERFECT 2005 can be delivered with full operational battery back-up for up to 24 h in the event of a power failure.
